Geneva, 13 July 2004

Dear Jerome,

This year, the 4th of July was an important date in many calendars: the Final of Euro 2004, the men's singles finals in Wimbledon and many local festivals. Although these various events certainly had an impact on the number of visitors to the 4th of July celebrations, those who chose to spend the day at the "Fête Américaine" were not disappointed. Brilliant sunshine and an excellent, revamped program were warmly welcomed and appreciated by all present.

Of course, without the participation of Kate Michaels, the show would not have been the same and we would like to take this opportunity to say a very big THANK YOU. Due to the quality of entertainers like her, the Club is pleased to have received very positive feedback.

We hope she enjoyed the day as much as we did and look forward to seeing her again in the not too distant future.

Again, please accept our sincerest thanks.

Best regards

Pierre IMFELD
