Dear Mr. Sayers,

I am writing on behalf of Schroders Investment Management Limited to thank Kate Michaels for her glamorous performance at our dinner on May 6 2004. We would highly recommend Kate for any occasion, from corporate event to small party. She provided her own touch of sophistication to our function and we consider her a factor in the evening's success. Kate made it clear from the outset that her first priority was to enhance the elegance of our occasion and she did just that.

We also commend the professionalism of your team, who were both accommodating and well organised, from our first meeting to the completion of the event.

Our guests thoroughly enjoyed themselves and we are sure that Kate's performance made this a memorable event for them.

With kind regards

Caroline O'Donnell
