Dear Ms. Michaels,

I refer to your performance on the occasion of our *So Far So Good* Party on 17 Oct 1997 in Basel, Switzerland and would like to thank you very much for your extraordinary show.

The employees and of course myself enjoyed it very much and your show will truly be memorised, as it made our evening very special and unique.

Larry Wayne, Doug Reed and yourself really are a good team and your voices, together with the piano sounded absolutely perfect.

Once again, thank you very much for coming. I hope we will hear more of you in the near future and wish you all the best with coming performances.

With kind regards,
